BA (Hons) Business English (International Route) Top-up programme

www.chi.ac.uk/international-students/courses

This is a one-year, full-time Top-up programme designed for international students with an English language, communication or translation-related HND or associate degree (or equivalent). The programme enables students to adjust to studying in the UK and gain a full honours degree, with the skills and knowledge required for further postgraduate study.

On successful completion, students will be awarded a BA (Hons) in Business English (International Route) and will be able to apply to UK universities for a business postgraduate degree. Students achieving a 2nd class honours (2:2) will be guaranteed entry to the University of Chichester MSc International Business programmes, with bursaries available for students achieving a 2:1 or above.

Special features:

The BA (Hons) Business English Top-up programme has the following features:

- Extensive language development and language support, to help you achieve the required English level for postgraduate studies or future employment in the UK
- Includes business-based modules in preparation for masters level study in business fields
- Friendly and supportive learning environment, with your own personal tutor to guide you through your studies
- High quality teaching by skilled academics who are experts in their field, with real industry experience
- Small class sizes, with workshop-based interactive activities to help develop your understanding and improve your English language
- State-of-the-art learning facilities within a comfortable and attractive environment
- Guaranteed admission to our postgraduate programmes for students achieving 2:2 or above
- Bursaries available for our postgraduate business programmes for students who achieve a 2:1 or above

Skills acquired

With the University of Chichester BA (Hons) Business English Top-up programme you will:

- Develop the academic and communication skills required to succeed at postgraduate level, or in a business role where English is required
- Gain business knowledge and cultural awareness
- Learn to conduct independent research projects
